

Friends of Tahoe Lawsuit Tahoe National Forest

Did you know that a group of 8 local 4wd, Motorcycle clubs and individuals are suing the Tahoe National Forest to regain access to over 800 miles of trails closed in violation of the National Environmental Policy Act?

The Friends of Tahoe Forest Access, Nevada County Woods Riders, WeBilt 4Wheel Drive Club, Friends of Greenhorn, Grass Valley 4Wheel Drive Club and High Sierra Motorcycle club all joined forces to fight for our right to ride in our local Forest.

With the help of the Pacific Legal Foundation, we successfully launched a Lawsuit to get the access to our roads and trails back! The Pacific Legal Foundation is bearing the cost of this legal fight on our behalf at no charge to us.

However the Tahoe National Forest felt they needed to charge us for \$14,875.00 in printing/copy fees !! We need to raise enough money to pay for this bloated government printing bill charged to us by the Forest Service.

We are asking for your help!!

You can use your Pay Pal account to send money to friendsoftahoelawsuit@gmail.com.

Or, you can mail a check made payable to Grass Valley 4 Wheel Drive Club Inc to PO Box 824 Grass Valley, CA 95945.

Please help us fight for our right to ride on Public Land !!!
